# FOREWORD

What do you see when you think of "our town"
What is the picture you have in your mind
Old brick traditions, mem'ries in stone
The kind hearts, helping hands -- one always can find
Main Street, a mirror of black in the rain
The cars in line like a troup of grand soldiers
Remember the first time the town saw our team winning
The mud and the glory, the cheers and the faces
The true friends that surround you, the cold autumn air
The snow in "white mountains" on fences and lawns
If your mem'ries are like dust half a century deep
Sometime after hours when all are asleep
Look closely, for this is "our town."

# DEDICATION

We, the students of Marion High School, wish to dedicate this, our 1960 Marion Warrior, to Miss Marge Wamser, our sincere friend and teacher. For her many, many admirable deeds which have seemingly gone unnoticed, we now want to recognize her and express our appreciation to her.

She has always found time, no matter how busy her schedule, to help us solve our problems. Yes, Miss Wamser, you have truly been an inspiration to us; and we hope this act expresses, to some degree, our gratitude to you for your unceasing efforts, sincere help, and wonderful guidance.

As the class of '60 leaves Marion High School, many happy memories remain imprinted upon their minds. In 1956 a new field was opened to them when they, as "green freshmen" entered Marion High School. The next four years brought school trips, banquets, parties, ballgames, and just plain hard work. However, all this became memories when the Senior Class took off for Rockaway Beach, Missouri, for their senior sneak. Then the perfect climax for 1960 -- graduation. Now our years at Marion High School remain in our minds as wonderful and happy memories.

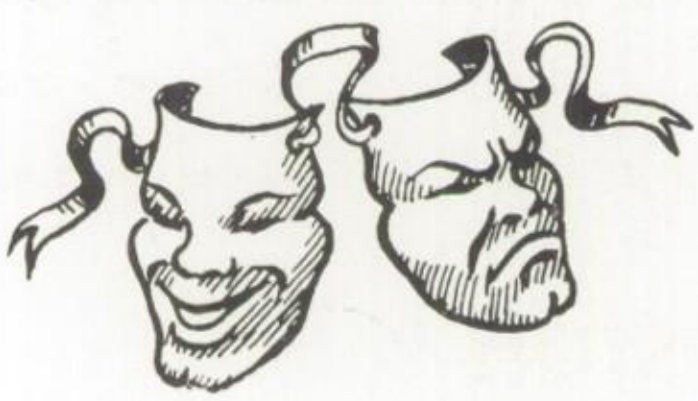
The Student Council is composed of students elected to represent each class and various organizations of the school. Decisive matters, pertaining to the government of the student body are brought before the Student Council. After the proposal is discussed, it is either passed or discarded.

The officers this year were: Jim Williams, president; Naomi Stenzel, vice-president; Carol Conyers, secretary; Sue Summervill, treasurer.

# THESPIANS

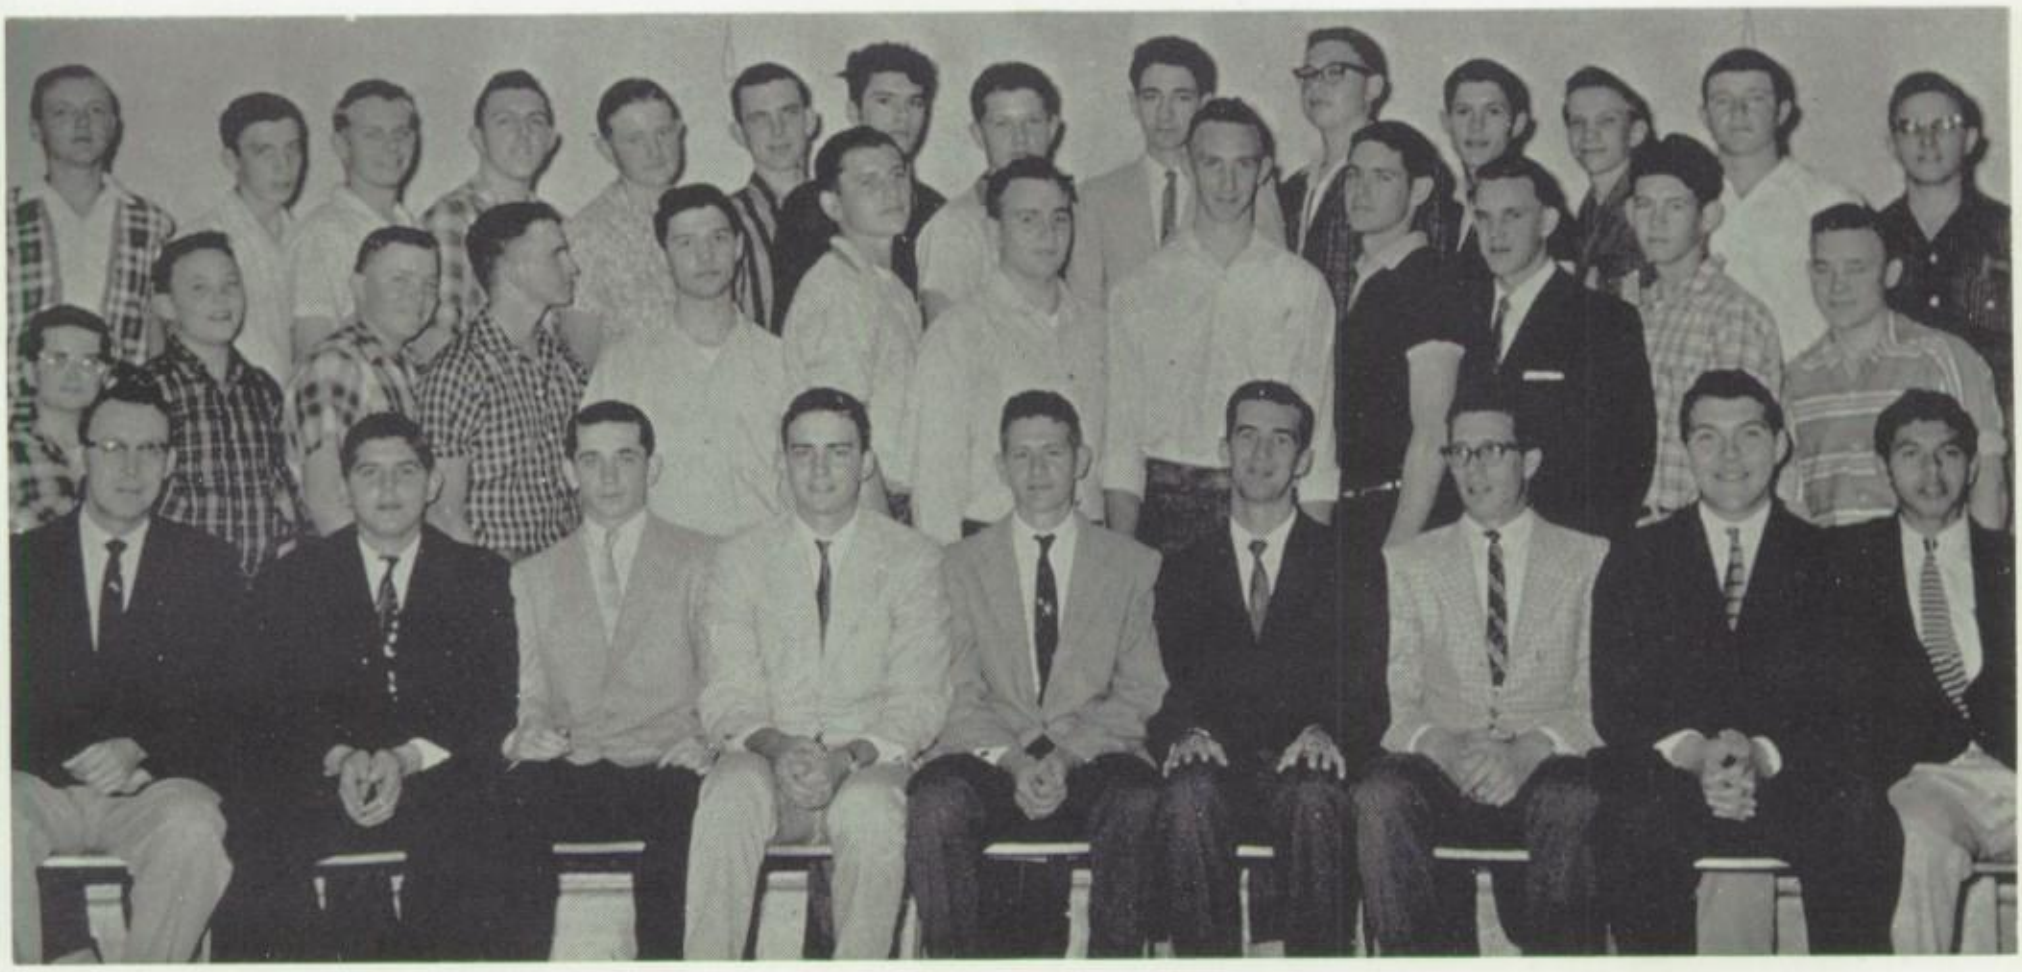


The Thespians of '60 have been an active and successful group this year. The twenty-six seniors pictured above pledged their oaths to the National Thespian Society during an impressive initiation ceremony at the beginning of this school year. The motto of the Thespians is "Act well your parts, there all the honor lies". The officers installed were: Jean Dody, President; Lou Wheeler, Vice-President; Naomi Stenzel, Secretary; Sue Summerville, Treasurer; Dennis Navrat, Student Council Representative.

Under the capable and patient leadership of Mrs. Ruby Reed, the play cast of The Curious Savage gave a "top-notch" performance. The Wall, Thespians contest play was taken to League, District, and State Festivals. The cast did an outstanding job of portraying each particular character, and the seemingly difficult play received a I rating at District and a II rating at State. Thespians entered four members in the Readings Division; two in the Speech Division and one in the Poetry Diyision at the District Festival. Lucinda Hauser and Lou Wheeler, after receiving I's at District, then attended State Festival. Thespians also built the scenery and decorated for the Winter Spectacular. Another activity of Thespians this year was operating the concession stand at a basketball game.

Having Mrs. Reed as our understanding and patient sponsor, Thespians has been a rewarding experience and an organization of which we can be proud.

# HI-Y



Hi-Y is an organization for all boys "to create, maintain, and extend throughout the school and community high standards of Christian character."

The four planks of Hi-Y are (1) clean speech, (2) clean living, (3) clean sportsmanship, and (4) clean scholarship.

Under the leadership of the president George Bales, the Hi-Y members have set a fine example for any boy to follow.

# FHA

The Future Homemakers of America with the help of Miss Viola Olson completed many activities this year.

Among them were: a first prize float; a tea, honoring the Seniors; Twirp Day; an apple-flower for-the-teacher day; a day during which the trophies were shined and the cases re-decorated; and a Sweetheart Banquet.

All these, as well as the other projects, could never have been accomplished without the wonderful cooperation of the members and the great leadership of the officers.

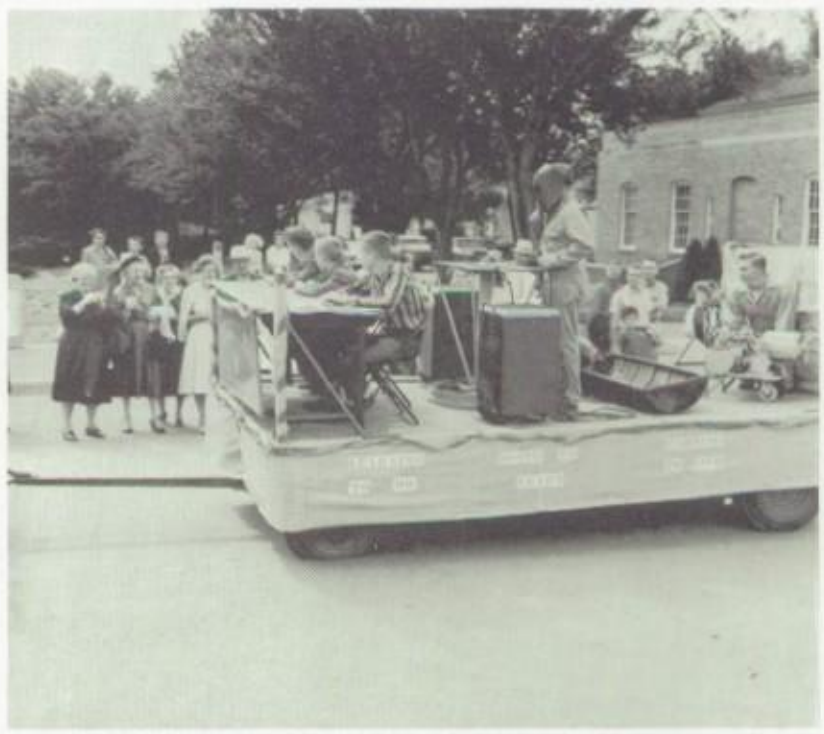
# FFA

The Future Farmers of America organization is designed primarily to aid boys participating in Vocational Agriculture. The FFA developes leadership and agricultural prowess among its members.

The boys, most of whom are "farm kids" are required to maintain a project and records during the year. This year the FFA was active in sponsoring the FFA Sweetheart Ball, a float, and an interesting assembly.



# PEP CLUB

The Marion High School Pep Club has been one of the most active organizations this school year. Under the excellent leadership of their sponsor, Miss Wamser, the club members have undertaken many projects, which have all been successful. Among the projects are (1) carwash (2) preparation for Homecoming (3) preparation for Queen of Courts (4) basketball concession. The outstanding project for the year was the addition of red letter sweaters, which completed the new Pep Club uniforms. Each member felt proud to wear the new uniform to the football and basketball games.

Sue Summervill, the president, has set a fine example for each Pep Club member, and she has organized well its activities. Through the continuous backing of the Pep Club, the Warriors have strived onward to become CHAMPIONS.

# ATHLETICS

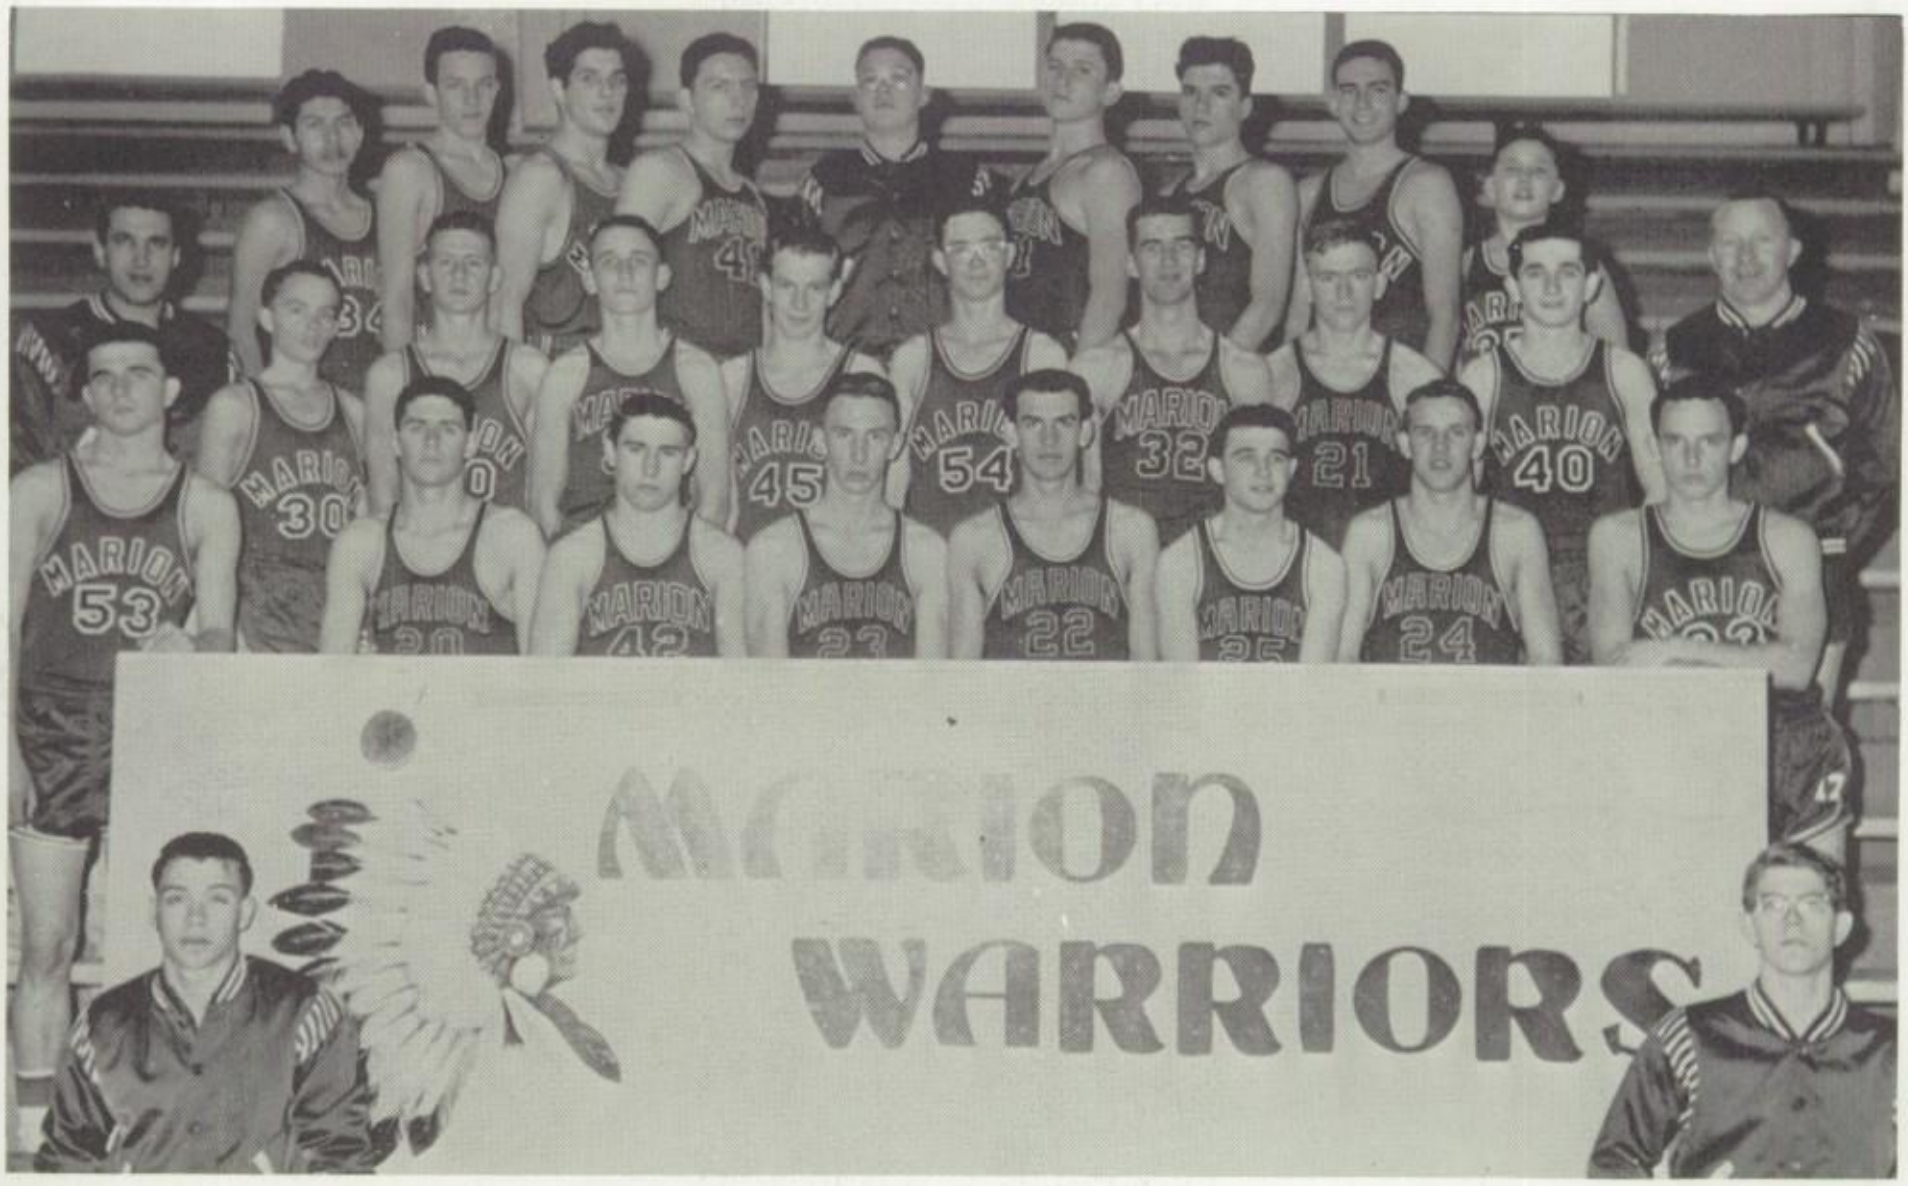
# BIG REDS-THE UNDEFEATED

This year the Marion High football team, under the supervision of Coach Ed Frickey, walloped the opposition and won the supreme position in the C.V.L. league standings. The boys worked hard every night at football practice, boosting the "Big Reds" to the top. Congratulations are in order to Coach Frickey, his managers, and the team.

# HOME COMING

On a cold windy evening, football fans saw Carol Conyers crowned Homecoming Queen by Warren Vogel. Her pretty attendants, Naomi Stenzel and Lou Wheeler were escorted by Kenneth Sandwell and Dennis Robertson.

# EVERY MAN A WARRIOR



The basketball team had a very successful season this year under the guidance of Coach Yaussi. The team finished with a 17-4 record and won two first and one third place trophies. The Warriors took first place in the Ellsworth Invitational Tournament by defeating two of the best teams in the state-- Ellsworth and Lindsborg. The team tied for first place with Herington for the C.V.L. Championship, and took third place in the district tournament. The Warriors have been a "Top-Notch" team this year and truly deserve our admiration.

# THE STUDENT BODY SELECTS QUEEN JULIA

At a beautiful half-time ceremony, Miss Julia Wooldridge was crowned by Ronnie Oelschlager as the 1960 Queen of Court. The girls attending Queen Julia were: Jean Williams, Tressie Miles, Donna Jost, and Karen Jost.

# TRACK AND GOLF

Our '60 track team, under the guidance of Mr. Frickey and Mr. Wilson, turned in an "A-1" record. The boys won many medals and ribbons as rewards for their efforts. The mile relay team qualified this year for the State Meet, where it took 3rd place. One facet of track that seldom receives enough recognition is the managers. The managers this year were Don Druse and Bob Klose.

The Marion High Golf team, under the direction of Mr. Yaussi, has also made a name for itself this year. It attended many golf meets and did well in all.

Our Track and Golf Teams (and Coaches) truly deserve our support and compliments.

# BOYS' GLEE CLUB

Boys' Glee, an organization in which all boys can participate, has had an enjoyable year. The boys have had much fun and relaxation while they sang together. Also, they have accomplished much under the direction of Miss Nadean Kruse.

# "WINTER WONDERLAND"

"WINTER SPECTACULAR"

'Twas two nights before Christmas, and all through the town,
Not a creature was stirring, not a soul could be found.
And up, up so high where the wind hardly blows,
Santa was out flying to test Rudolph's nose!
He looked down at Marion and spied everywhere,
But traces of existence had vanished with care.

"But wait!--Listen!--A song I hear lilting,
The music escapes from the big "City Building."
Let's spring to the roof and peek down below,
Slyly now, Rudolph, can you darken your glow?

Three lovely voices, now four, now nine,
Now add a band and have a fine time!
There's glitter and gleam and sparkle so bright,
The scene is so gay it's a joy to my sight!
Well, Rudolph, we know now where Marion folks were,
They've all come to the "Winter Spectacular!"

"Well Rudolph," said Santa, "It's now time to go.
Those Marion High School students have a fine Christmas show!"
